

FEE REGULATIONS

VIE INTERNET NAT

Last updated: January 2026

1. Fee Regulations for VIE INTERNET NAT

These fee regulations are valid as of 6 November 2018.

All fees are indicated in euros and exclusive of value-added tax. All VIE Internet NAT services are provided to customers that qualify as entrepreneurs within the meaning of section 1 Consumer Protection Act (KSchG) and do business on the Vienna Airport premises or the premises of Vöslau Airfield on the basis of the specifications for VIE Internet NAT and the General Terms and Conditions for Information and Communication Services of Flughafen Wien AG (**ICT GTCs**).

Monthly fees are charged in arrears. They become payable on the due date indicated in the invoice.

The agreed prices are subject to annual indexation on the basis of the consumer price index 2020 or any index replacing it.
